M.U.S.i.C. - Stars in the Classics presents:

"A Benefit for our Musician Assistance Fund"

Our **Musician Assistance Fund** was initiated with a matching grant from Herb & Jody Wainer in 2021. So far, it has helped 37 of the musicians that have performed for our organization. It has helped them with a total of **108 grants** for needs such as travel expenses to auditions and festivals, application and entry fees, instrument repair, and other professional expenses crucial to their career advancement. We are helping them to perform and compete around the world, such as in Italy, Poland, and Japan.

As the fund has been working for the past several years to help musicians with thousands of dollars in aid, it's time to replenish our Musician Assistance Fund. With this event, we plan to continue the fund into the future to support these needs and our mission.
